Vegan Inca Trail is a 4-day, all-vegan, high-altitude, porter-supported, carbon-offset trek along the Classic Inca Trail northwest of Cusco to the ancient city of Machu Picchu. Elevations over our ~28-mile (45 km) trek range from 7873 to 13779 ft (2400-4200m). As a team, we will demonstrate the heights of achievement possible on a plant-based diet while raising funds to support research-based **NutritionFacts.org**. Our Peruvian-based guide company, **Alpaca Expeditions**, has been rated #1 on TripAdvisor for many years in a row. Pre-vegan spouses/companions are welcome if they agree to eat exclusively plant-based while training (at least 60 days prior to the trek) and bring and wear only 100% animal-free gear.

BASICS

* Commit to be in shape to hike up to 10 hours/day over 4 days with a daypack (water, clothes layers, snacks...)

* High-altitude hiking preparation/experience a plus but not mandatory

* Clothing layers for warm, wet, cold: thermals, jackets, pants, hoods, gloves, trail shoes, socks...

* Bring & wear only 100% animal-free gear (no leather, wool, down, silk...)

Click here for vegan shoe, clothing, and supply recommendations.

* Total cost around \$2500 USD

~ \$1000 for guide service (airport transfers, hotels, tents, guides, cooks, porters, prepaid tips, & more)

~ \$1000 for international roundtrip airfare (cost will vary, purchase on your own)

~ \$ 500 for trip insurance, carbon offset, personal gear, extras (cost will vary, you purchase)

* Classic Inca Trail description: www.alpacaexpeditions.com/inca-trail-trek-private-service-4d3n

Covid rules currently in place limit group hiking size to 8 instead of 16. To avoid altitude sickness, slower is better, even for the very fit. But we'll likely naturally divide into slower and faster groups then reunite each evening in camp for meals and camaraderie.

Since we'll be sharing rooms, tents, and eating quarters, all trekkers must be **FULLY VACCINATED** against Covid-19.

GUIDE COMPANY

Alpaca Expeditions www.alpacaexpeditions.com is rated #1 of 1,267 Outdoor Activities in Cusco with over 8500 reviews on [TripAdvisor](https://www.tripadvisor.com). Being 100% Peruvian owned, they are able to offer our team an incredible price/incentive package while providing their porters with superior wages, gear, and working conditions. Equally impressive, their mission includes generous community support, women empowerment, and environmental preservation.

SPECIAL VEGAN INCA TRAIL PRICING

Persons	Cost Each (USD)
4	\$ 950
6	\$ 915
12	\$ 875
16	\$ 850

* Single supplement: +\$200 (for private hotel room/tent)

* Sleeping bag: +\$20

* Huayna Picchu permit: +\$75 (this is the iconic peak seen rising above the ruins)

Note: For my organizing and recruiting efforts, I neither seek nor receive personal discounts, perks, or compensation. However, I do enjoy negotiating group discounts shared equally by myself and all participants. My goals are to have compatible travel companions while demonstrating that a vegan lifestyle can be fun and adventurous! Mike Weinberg

SLEEPING BAG RENTAL OPTION

Alpaca Expeditions currently has only down bags but has agreed to purchase a mummy style 14F/-10C° synthetic bag for anyone on our team who desires to rent one (\$20 for the entire trek). In Peru, it is difficult to acquire long-length bags, so if you are over 6'4" (1.95 m) tall, you may want to bring your own bag. Alpaca Expeditions provides bag liners with its rentals that are machine washed after every use. (Bags and liners count towards the duffel weight your porter will carry.)

April Weather Notes

Temps typically range from 41F/5C° to 66F/19C° . Don't rely on weather-predicting websites regarding rain in Cusco. Cusco is the name of the entire municipality including the Sacred Valley, which has many microclimates. Be prepared for all weather conditions by bringing and wearing layers!

INCLUDED IN COST

PAYMENT TERMS

Normally, Inca Trail permits are 100% non-refundable, non-transferable. Permits are issued in the name and with the passport number of the trekker and cannot be transferred to anyone else under any circumstances. But since Covid-19 led to the closure of the Inca Trail, the Peruvian government has waived this restriction, which provides a rare opportunity for replacement trekkers. Since you'll be replacing a fully-paid Vegan Inca Trail participant, our typical Deposit and Refund Schedules will not apply.

Therefore, *full payment* is due upon receipt of invoice so we can refund the original participant and transfer their permit to you. Should the pandemic persist, and the trail be closed in the future, it's expected that the government will once again allow permits to be transferred. If you are unable to rebook with the Vegan Inca Trail team, Alpaca Expeditions will provide the described tour any time through 2025, or you may seek a replacement trekker.

CARBON OFFSET

Plant-based diets have dramatically lower carbon footprints than animal-based diets, but trekkers will also offset their air-travel emissions via www.cooleffect.org/content/travel-offset.

- A round-trip international flight lasting 13 or more hours can be offset with a contribution of less than \$20, although you are encouraged to submit more to fund several worthy projects like tree plantings, grassland & forest preservation, wind turbines, economical cookstoves, and a bird sanctuary. Over 90% of every dollar goes directly to the projects.

TRIP INSURANCE

Trip/high-altitude trekking insurance is highly recommended, especially if medical evacuation is needed.

- Apply soon after booking trip to avoid denial of coverage by some companies
- World Nomads "Explorer" Plan covers high-altitude trekking for persons < 70 years-old for < \$200 USD: www.worldnomads.com

FUNDRAISER

Hikers will fund their own treks, but to promote the benefits of plant-based eating, they will have the option of donating and asking friends and family to donate to <https://nutritionfacts.org>. This venerable non-profit organization tackles the enormous task of summarizing the thousands of nutritional studies released each year into short videos (sample on right) presented by its founder, Dr. Michael Greger.

BANNER

The capstone of the trek will be the unfurling of a Vegan Inca Trail banner (also depicted at the top of this document) held by our team and guides with Machu Picchu in the background.

PUBLICITY

To promote veganism and what's achievable on a plant-based diet, I'll be seeking publicity for this all-vegan trek. Your name and volunteered comments may appear in news releases I send to various publications.

TEAM TABLE

To promote camaraderie and to be able to recognize each other when we meet in Cusco, each team member's headshot photo, city, state or country, age, and years of veganism will appear in a Team Table.

A pre-vegan spouse or companion who agrees to eat exclusively plant-based while training (at least 60 days prior to the trek) and bring and wear only 100% animal-free gear, will be listed as a "1st year vegan."

VEGAN EATERIES

Incredibly, Cusco boasts several 100% vegan eateries per HappyCow.net.

www.happycow.net/searchmap?location=cusco%20peru&filters=vegan&radius=5&metric=mi&limit=81&order=default&lat=-13.5319&lng=-71.9675

There are no 100% vegan eateries at Aguas Calientes, where we'll lunch on our own after Machu Picchu before taking the train back to Cusco. But there are a few eateries with vegan options:

www.happycow.net/south_america/peru/aguas_calientes/?filters=vegan-vegetarian-vegfriently

V-CARDS

To ensure cruelty-free meals while traveling, I created V-Cards in over 100 languages:

www.maxlearning.net/HEALTH/V-Cards. Although I generally patronize only 100% vegan eateries, these cards are useful in non-vegan eateries as well as grocery stores and shops. Simply hand a card to the waiter, chef, or store clerk. Feel free to download the file then print a set of English-Spanish cards for use in Peru and other Spanish-speaking countries you may visit. If you're visiting Brazil, there's also a Portuguese V-Card.
